I am in the process of calculating the 2025 Effective Tax Rate for the District. Along with the certified values for your county, there is some additional information I need before we can ~~calculate~~ an effective rate. I have prepared a form on the bottom of this transmittal which includes the information I need. Please fill in this information as soon as possible and email it to britney@pgcd.us or fax it to me at 806-883-2162.

Thank you,
Britney Britten, General Manager
